BE SURE TO FLIP IT TO ENSURE EVEN BROWNING.
BAKE AT 300C FOR TEN MINUTES IN YOUR OVEN!
NEXT, TAKE YOUR CUT OF BEEF, SEASON WITH SALT AND PEPPER, PLACE IN THE POT, AND ADD THE MELTED BUTTER.

THEN FRY THEM IN OIL THAT HAS BEEN HEATED TO 170C...

READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Nut Up or Shut Up

Yoshitake, the world's horniest man, has ditched Lune—the universe's sexiest alien who came to Earth for his sperm—to date his innocent coworker Yuizono Haruka. Another coworker, Mika, hot (and hotheaded) with sexual secrets of her own, finds herself trapped in a gym locker with Yoshitake where it's getting more cramped by the moment. But if he ever ejaculates into an Earth woman, Lune's entire species is doomed to extinction! It's a hard time to be hard up!
